Product Description

Jackery Explorer 1000 Pro Portable Power Station

- Ultra-Charging System Only 1.8 Hours: 1,002Wh capacity with an output power of 1000W (2000W Surge Peak Power). Explorer 1000 pro takes 1.8 hours for a full wall charge and a full solar charge with 4* SolarSaga 200W. Supports up to 1000 charge cycles and the low self-discharge rate allows it to last 365 days from an 80% battery level.
- Power On The Go: Light at 25.4 lbs with foldable handle design a giving comfortable on the go experience. 46dB noise level ensures super-quiet charging, and smart screen display delivers crystal clear viewing. Additionally, three LED light modes - low, high light and SOS are present - suited for outdoor use and emergencies.
- Dual 100W PD Design: 2 USB-C and 2 100W PD ports, delivering steady and quick power for essentials such as phones, iPads, laptops, drones. Supports multiple charging methods with 2 1000W AC ports, 1 USB A and DC car port.
- All Round Safety with Superb BMS: Pure sine wave inverter delivers stable power that protects against equipment damage, conforming to international standards. Filmed with 94V-0 fire rating materials, the product features vehicle-grade battery system (BMS) for ultra-long battery life.
- 5-Year Full Warranty: A 3-year warranty on regular purchases, plus an additional 2-year extension if purchased directly from the official website.
